ABANDONMENT - BASED ON FAILURE TO RECEIVE NOTICE OF ALLOWANCE**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir or Madam:

This petition is in response to the Decision on Petition mailed April 15, 2008 dismissing the Petition. Applicant hereby renews its petitions to withdraw the holding of abandonment in this case, on the basis that the Notice of Allowance forming the basis of the abandonment was not received. Applicant further requests that the Notice of Allowance and Issue Fee Due be remailed.

FACTS

On June 28, 2005 applicant paid the Issue Fee and Publication Fee in the amount of one thousand seven hundred dollars (\$1,700). On August 8, 2005 the applicant received a Notice Of Withdrawal From Issue Under 37 C.F.R. 1.313(b). On October 17, 2005 Examiner George J. Letscher spoke with applicant's attorney Paul T. Dietz and the examiner agreed to cancel, by Examiner's Amendment, claims 16-18. According to the U.S. Patent Office PAIR website, the Second Notice of Allowance was mailed on November 17, 2005. On April 17, 2006 applicant received a Notice Of Abandonment due to non-payment of the required issue fee and publication fee. Previously submitted is a Declaration of Paul T. Dietz stating that the Office

Communication was not received and attesting to the fact that a search of the file jacket and docket records indicates that the Office Communication was not received.

Also attached, as Exhibit A is a copy of the docket record where the Notice of Allowance would have been entered had it been received and docketed. A Declaration of Kay Baierl was previously submitted, which attests to the authenticity of the attached Exhibit A. A copy of the Notice of Abandonment is enclosed as Exhibit B.

Remarks:

In the Decision on Petition, the Examiner indicated that elements 1 and 2 of the required showing were met, but that the 3rd element, a copy of the docket record, was insufficient. *See Page 2 of Decision on Petition.* The Applicant asserts that the copy of the docket is sufficient to establish evidence that the Nov. 17, 2005 Notice was not received. The Examiner claimed that the June 2, 2005 Notice of Allowance was not shown in the docket record, but this is incorrect. The receipt of the June 2, 2005 Notice of Allowance is shown by the docket dues dates of Fee Due in 2 Months reminder of July 2, 2005, the Fee Due in 1 Month reminder of August 2, 2005, and the Issue Fee Due reminder of September 2, 2005. *See Exhibit A.* These all stem from the base date of June 2, 2005 when the Notice of Allowance was received and entered into Applicant's docket system. *See Exhibit C showing this in more detail.* If the Notice of Allowance of Nov. 17, 2005 was received by Applicant, these same docket dates would have been entered into the system for Dec. 17, 2005, Jan. 17, 2006 and Feb. 17, 2006 respectively. Since these dates were not entered into the docket, this is further evidence that the Notice of Allowance was not received by Applicant.

Regarding the lack of the Notice of Withdrawal from Issue mailed on August 3, 2005 from the docket this is an expected result of Applicant's docket system. The Notice of Withdrawal did not indicate any action that was required of the Applicant by a certain due date, instead the Applicant had to wait for further communication from the Examiner regarding the Withdrawal (which occurred by telephone on Oct. 17, 2005). The next communication that would have been docketed would have been the Notice of Allowance of Nov. 17, 2005 which also apparently included an Interview Summary of the Oct. 17 conversation. Regardless, the Applicant's physical file did contain the Notice of Withdrawal mailed on August 2, 2005 and received by the Applicant on August 8, 2005. *See Exhibit D.* All other communications from the PTO (like Office Actions, Restriction Requirements) are indicated in the docket record. *See Exhibit C.*

Therefore the Applicants submit that the copy of the docket record is sufficient to meet the requirements of MPEP 711.03(c) and other guidelines. If further elements of the Applicant's docket system need explanation, the Examiner is urged to call the Applicant at the below number.

CONCLUSION

It is believed that the foregoing facts, declarations and Exhibits are sufficient to establish the non-receipt of the Notice of Allowance. In consideration of these submissions, it is respectfully requested that the holding of abandonment be withdrawn and that the Notice of Allowance and Issue Fee Due be remailed.
